GREEN IS VICTOR, 4 TO 0

Tyler and Geran Play Spectacular Hockey for Dartmouth in Battle with Aggies.

Big Green Has a Big Snap

DARTMOUTH 4, AGGIES 0.
Tyler, Geran, and the rest of the Green team played a spectacular game of hockey against the Aggies. The Green team scored four goals, while the Aggies scored none. The game was a close one, with the Green team leading 4-0 at the end of the third period.

By JOHN W. MORAN, JR.
ABILITY to play in the face of adversity was the factor that enabled Dartmouth to defeat the Massachusetts Aggies in their annual hockey match at the Arena last night, 4 goals to 0. Long shots failed to count on the alert Dartmouth defense. The Aggies' goal tenders, Timmers, Tim Murphy and Harry Kelley, made three brilliant stops.

The Aggies generally play a brand of hockey against Dartmouth that always forces the Green to extra efforts to win. Last night was no exception to this rule. The Aggies played a slam-bang sort of game, just the style that would put a clever team like Dartmouth in the air.

When Dartmouth's combination play failed to make any impression on the Aggies, the Green forwards fell back to make individual efforts. Fortunately for the New Hampshire boys, they had two stellar men in this department in "Tur" Tyler and "Jerry" Geran.

TYLER AND GERAN STAR.
This pair roamed over the ice almost at will, but the four-man defense of the Aggies presented on these dashes, together with their own remarkable work on the ice, bothered the Dartmouth center more than anything else.

The game lacked hockey style, for the simple reason that both teams were unable to throw teamwork into the game. To the Aggies' credit it may be said that the offense was always anxious to pass, but it means that the defense was always anxious to make a play, making it impossible for the Aggies to score. The Green team, on the other hand, was quick to detect all infirmities and several banishments to penalty put the game in a lull.

TYLER IN SPOTLIGHT.
Tyler scored at half-time was 2 to 0 in a goal that was the first of the game. He was the only player to score in the first half. The Green team's lead was 4-0 at the end of the third period.
